This hidden gem in Escondido is quickly progressing to the top, creating a farm to table dining experience and serving the most robust flavors of every season. Bellamy's prides itself on quality food accompanied with impeccable service. Bellamy's is upscale dining in a relaxed family atmosphere, where every guest will experience flavorful dishes, a pleasant environment and service second to none.

Chef Jonathan Freyberg attended the New England Culinary Institute and began working in the kitchen at the age of 14. His love for cuisine is evident in every dish he makes. Chef Jonathan has worked along side Chef Patrick Ponsaty for over 8 years. Ponsaty sent Freyberg to France to learn "boulangerie," from a fifth generation baker. He has brought these techniques to Bellamy's and has created a unique authenticity. Chef Jonathan has worked with Chef Patrick at Bernard'O in San Diego, as well as Mistral at Lowes in Coronado where they received many awards. Together they make a harmonious team combining the flavors of both California Modern and French cuisine. Freyberg believes in perfection and finest highlighting each ingredient to its full potential.
